

**Georgetown City Council**  
**Street & Alley Committee Meeting Minutes**  
**For September 2, 2025**

**Roll Call:**

|                      |                   |                       |
|----------------------|-------------------|-----------------------|
| <b>Present:</b>      | Jack Morrison     | Alder Ward 1          |
|                      | Mike Scott        | Alder Ward 3/Chairman |
|                      | Steffanie Lyons   | Alder Ward 3          |
|                      | Mitch Weaver      | Alder Ward 4          |
| <b>Also Present:</b> | Jacqueline Wilson | City Clerk            |

Chairman Scott declared a quorum was present.

The committee discussed adding stop signs to the following intersections. Stone & Pearl, Vermilion and Pearl, 14<sup>th</sup> St. & Guy, 14<sup>th</sup> St. & Grace. They also discussed putting stop signs at Mill & Seminary and Mill and Church. These would have to be approved by the state. Alderman Weaver believes we need these stop signs to slow people down. Too many people are on their cell phones and not paying attention. Chief Renaker also said they have budgeted for removable speed bumps that will be put around the park next spring. Alder Morrison asked about putting a speed bump at the curves on E. West St.

The committee asked about the speed sign trailers, that could be moved to different areas. They cost around \$12,000 each.

Recommendations to full council: Add stop signs at the following intersections: Stone & Pearl, Vermilion & Pearl, 14<sup>th</sup> St & Guy, 14<sup>th</sup> St & Grace. Check with the state about stops signs at Mill & Seminary.

Adjourn Meeting

Action Taken: **Approved**

Motion / Second: Alder Weaver / Alder Lyons

Adjourn at 6:32 pm.
